

"ALEXANDER FLEMING"
Biomedical Sciences Research Center

Call for Expressions of Interest

Science writer, BSRC Fleming

The Biomedical Sciences Research Center 'Alexander Fleming' (www.fleming.gr) is seeking professionals with a proven track record in scientific writing, including research and infrastructure grant writing and reporting, business and investment planning, science policy development and/or science journalism.

Candidates must have a MSc or PhD in Life Sciences or related fields, strong written and oral communication skills, excellent command of the Greek and English language, and a minimum of 3 years of experience in relevant positions. Candidates will be asked to provide samples of their previous work related to this post. Project management experience will be considered an asset.

Expressions of interest should be sent electronically to gkgrants@fleming.gr. Candidates should email a cover letter outlining their interests and areas of expertise (maximum 1 page long), together with a detailed curriculum vitae, including contact information of two or more referees.

Deadline for expression of interest: May 21st, 2017
