

Perspectives on Nucleic Acid Chemistry for Therapy

**June 17-20, 2008
Sesimbra, Portugal**

Objectives

The meeting is a training course within the European project RIGHT, with the aim to discuss the chemical bottlenecks involved in the development of nucleic acid therapeutics. It is directed to Ph.D. students, postdoctoral researchers and assistant professors.

The maximum capacity for this meeting is 80 participants. Five topics will be discussed and every participant will have to register for the topic of his/her choice. This means that for each topic, the number of participants is limited to 16. It is expected that every participant will actively contribute to the discussions.

Venue

Venue of the meeting is Hotel do Mar, Rua General Humberto Delgado, 10, 2970 Sesimbra, Portugal (hotel's website: <http://www.hoteldomar.pt>). Hotel do Mar is located at 30 kms of Lisbon airport.

The meeting will start on Wednesday, June 18 at 9.00 a.m. and finish on Friday, June 20 at 12.30 p.m.

Accommodation and rates

25 double and 50 single rooms are available to the participants of the meeting.

The rates for these rooms are:

Single room: 106 €/day/person – breakfast and lunch included

Double room: 79 €/day/person – breakfast and lunch included (based on occupancy of 2 persons per room).

These rates are only applicable for the time of the meeting (June 17 – June 20, 2008 – 3 nights).

As there is only a small amount of single rooms available to the meeting, we kindly suggest to share a room with another participant of the meeting.

If you should require an extra night, please mention this on the registration form. We will be happy to make the reservation for you but payment of the extra night should be made to the hotel directly upon arrival.

The rates for the extra nights are:

Single room: 88 euro /per day/ per room, breakfast included

Double room: 95 euro /per day/per room, breakfast included

Transportation

Bus transportation from/to Lisbon airport will be available on June 17, in the afternoon and June 20, after the conference. There is no transportation foreseen when arriving during the meeting.

Registration

The registration fee for the meeting is 200 €. Registration for every session will be closed when the number of participants has reached the level of 16 registrations.

Deadline for Registration is May 12, 2008. No registrations will be accepted after this date.

Organized by the European Union project RIGHT (6th framework) and by the Nucleic Acid Center, a research center founded by the Danish National Research Foundation
