

Curriculum Vitae

General Information

Name: Karina Myskiv

Email address: Myskiv@fleming.gr

LinkedIn: <https://www.linkedin.com/in/karina-myskiv-69541a289/>

Education

- **International MSc in Molecular Biomedicine, Medical School of National and Kapodistrian University of Athens (NKUA) & BSRC “Alexander Fleming”, Athens, Greece (September 2025 – July 2027 {estimated})**
- **BSc in Biology, Department of Biology, National and Kapodistrian University of Athens (NKUA), Athens, Greece (October 2021 – July 2025)**

Grade: 8.51/10

- **High School Baccalaureate, 1st General High School of Cholargos (September 2018 – June 2021)**

Grade: 20/20

Experience

- **MSc Thesis:** Dr. Vassilis Aidinis Research Group, Division of Immunology, BSRC “Alexander Fleming” **(September 2026 – Present)**

Title: *“Circadian rhythm, macrophage homeostasis and pulmonary fibrosis”*

Three-member committee: Dr. Vassilis Aidinis, Ass. Prof. Themis Alissafi, Prof. Panagiotis Verginis

- **Rotation:** Dr. Vassilis Aidinis Research Group, Division of Immunology, BSRC “Alexander Fleming” **(May 2026 – July 2026)**

Title: *“The pathogenic effects of LPA on lung and synovial fibroblasts”*

- **Rotation:** Dr. Pantelis Hatzis group, Genomics Facility, Division of Molecular Biology, BSRC “Alexander Fleming” **(January 2026 – May 2026)**

Title: *“Transcriptomic Analysis of Triple-Negative Breast Cancer (TNBC) samples”*

- **BSc thesis:** Flow Cytometry Unit, Department of Biology, NKUA and Mass Cytometry (CyTOF) Lab, BRFAA **(September 2024 – July 2025)**

Title: *“Immunophenotypic analysis of the bone marrow and peripheral blood in Multiple Myeloma with Mass Cytometry (CyTOF)”*

HORIZON-MISS-2021-CANCER-02-03, #101097094, ELMUMY

Supervisor(s): *Prof. Ourania Tsitsilonis and Dr. Nikolaos Paschalidis*

- **Internship:** Department of Pharmacognosy and Natural Product Chemistry, Faculty of Pharmacy, NKUA (**September 2023 – October 2023**)

Supervisor: *Associate Prof. Maria Halabalaki*

Conferences

- **Oral Presentation:** “*Road to cure, new perspectives*”, at the 35th Hellenic AIDS Conference, **December 2023**
- **Oral presentation:** “*Immunophenotypic analysis of the bone marrow and peripheral blood microenvironment in Multiple Myeloma with Multiparametric Cytometry – CyTOF*”, at the 51st Annual Panhellenic Medical Congress, **May 2025**

Languages

- English (C2 Proficient, University of Michigan)
- French (B2 Limited Proficient, Sorbonne University)
- Greek (Native)
- Ukrainian (Native)
- Russian (Native)

Other Certifications

- **Certificate of Participation in the BD Horizon Next Global Educational Tour**, BD, May **2025**
- **Certificate of Attendance at the 51st Annual Panhellenic Medical Congress**, Athens Medical Society, May **2025**
- **Certificate of IT Knowledge or Computer Usage (Basic Level)**, UCERT GREECE, December **2024**
- **Certificate of Attendance at the 10th Symposium of Cancer Immunology and Immunotherapy**, Hellenic Society of Immuno-Oncology, December **2024**
- **Certificate of Attendance at the 4th General Assembly of the ELMUMY Project**, National and Kapodistrian University of Athens, October **2024****Certificate of Participation in the 35th Hellenic AIDS Conference**, Hellenic Society for the Study and Control of AIDS, December **2023**

Scholarships

- **Scholarship to Vulnerable Groups 2022-2023 (NSRF 2021 – 2027)**, State Scholarships Foundation (IKY)
