

DIMITRIS NASTOS

Msc student in «Clinical Chemistry
and Molecular Diagnostics»

National and Kapodistrian University of
Athens (NKUA)

✉ nastos@fleming.gr

SOFTWARE

- Microsoft Office *Very good*
- Computer Programming (language C) *Good*

Certificate – December 2019

CERTIFICATES & SEMINARS

- Certified user in BSRC Alexander Fleming's animal facilities
April 2021
- Welfare of laboratory animals (mice & rats)
*IZSAM G. CAPORALE TERAMO
November 2020*
- National Congress of the Hellenic Society of Clinical Chemistry-Clinical Biochemistry
2019 & 2020
- LAS Core Modules Course Certificate
July 2021
- Teaching Certificate
December 2019

INTERESTS

- Casual occupation with music (drums) & participation in small live concerts
- Casual occupation with volleyball
3rd place in the pan-hellenic teen volleyball championship 2014
- Volunteering: Blood donor

EDUCATION

- Master Student in «Clinical Chemistry and Molecular Diagnostics» Departments of Biology, Chemistry, Nursing & Medicine, NKUA
October 2019
Specialization – Laboratory experience in studying in vitro & in vivo animal models of chronic inflammatory diseases (**IPF & RA**) in BSRC Alexander Fleming (Aidinis Lab)
September 2020-Now

- Master Thesis:
«Discovery of Novel Pathological Genes & Mechanisms in Chronic Inflammatory Diseases»
*34 Fleming Street 16672 Vari, Greece
Aidinis Lab, BSRC Alexander Fleming*

- Bachelor of Chemistry Department, NKUA
(Grade 7.95)
March 2014 - September 2019
- Bachelor Thesis:
«Retrospect of the properties of Exotic, Nuclei»

LANGUAGES

- English (C2)
Proficiency Univ of Michigan, 2016
- Greek – Native Language

MILITARY SERVICE

Completed

November 2018 – August 2019
