

ATHANASIOS PANAGOS

Athens, Greece | panagos@fleming.gr

PROFILE: Undergraduate Biology Student currently conducting Bachelor's Thesis research at **BSRC "Alexander Fleming"**. Focused on **Biochemistry, Cell Biology, Biochemical Pharmacology & Toxicology, and Animal Physiology**.

EDUCATION & RESEARCH EXPERIENCE

- **BSR Center for Biomedical Sciences "Alexander Fleming" | Dr. Aidinis Lab**
Undergraduate Research / Bachelor's Thesis (Present)
- **B.Sc. in Biological Applications and Technologies | University of Ioannina**
(2022 – Present)
 - **GPA:** 7.77 / 10
 - **Honors:** Academic Commendation / Award of Distinction

KEY SKILLS & COURSEWORK

- **Lab Techniques:** Microscopy, Agarose Gel Electrophoresis, Microbiology lab basics, Pipetting & sample handling.
- **Core Coursework:** Biochemistry, Cell Biology, Molecular Biology, Biochemical Pharmacology & Toxicology, Animal Physiology.
- **Software & Tools:** Scientific literature search (PubMed, Google Scholar), MS Excel, MS PowerPoint.

CONFERENCES & LANGUAGES

- **Conferences:** Attendance at the *20th Hellenic Symposium on Medicinal Chemistry* (Ioannina, Apr 2025).
- **Languages:** Greek (Native), English (B2 - Michigan).
