

"ALEXANDER FLEMING"
Biomedical Sciences Research Center

Call for Expressions of Interest

Postdoctoral fellow - Kollias lab | BSRC Fleming

The laboratory of Prof. George Kollias at the Biomedical Sciences Research Center 'Alexander Fleming' (www.fleming.gr) is seeking a bioscientist (postdoctoral level) with a proven track record in the analysis of **molecular and cellular mechanisms of chronic inflammatory diseases** (intestinal or joint inflammation) **or cancer**.

Candidates must hold a PhD in Biological Sciences or related fields and must have at least 2 first or corresponding author publications. Experience in the development and characterisation of animal models of human disease is highly desirable, especially in the area of chronic inflammation or cancer.

Expressions of interest should be sent electronically to kollias.admin@fleming.gr. Candidates should email a cover letter outlining their interests and areas of expertise (maximum 1 page long), together with a detailed curriculum vitae, including contact information of two or more referees.

Deadline for expression of interest: 3 March 2020
