

**Call for expression of interest for one post-doctoral position
BSRC “Alexander Fleming”, Vari, Greece**

A position for a highly motivated post-doctoral researcher with skills in molecular biology is available at the Hatzigeorgiou lab at BSRC Fleming in the context of the SYNERGASIA project MICRORNA (grant number 09ΣΥΝ-13-1055), co-financed by the European Union/ European Regional Development Fund - Operational program “Competitiveness and Entrepreneurship” - and National funds. The project aims at the determination of the function of microRNAs using bioinformatic and experimental approaches. Candidates should have a PhD in Life Sciences or related disciplines and a strong background in Molecular Biology, as well as excellent written and oral communication skills in Greek and English.

The position is for 4 months.

Applicants should send CVs to hatzigeorgiou@fleming.gr

The deadline for applications is 21-6-2013.
