

Dr Charalampos Kapsalis

Haris Kapsalis is a postdoctoral researcher at the lab. He holds a Bachelor's degree in Chemistry from National and Kapodistrian University of Athens and an MSc in Public Health and Nutrition from Harokopio University of Athens. In 2020, he earned his PhD in Biology from St. Andrews University, UK, where his research focused on structural and functional studies of membrane proteins and their interactions with membranes and lipids. From 2020 to 2024, he worked as a Postdoctoral Researcher at the National Hellenic Research Foundation (Greece), where he conducted a biophysical study of aggregation-prone proteins for the G. Skretas Lab.
